SENIOR And TRANSFER STUDENTS

March 4, 1969

Dear Students,

As I think back on the past two years, I find in my thoughts many memories of Newton Junior College, which represent both the accomplishments and frustrations which go along with living.

From the basketball court to the classroom; memories from the lounge and the library; from Student Council meetings to the bewildered look on the freshman faces at registration, the list goes on forever.

I thank the many students and the faculty members who made running the Student Council a pleasure. Finally, I thank Newton Junior College for offering me the opportunities it has.

Good luck and Best Wishes to you all.

Wayne D. Mackie
President of the Student
Council, 1968-1969.
